From our Tournament Organiser

Noreen Weyling

As you are aware, our annual Stringfellow Teams Congress was held on Sunday 23rd October. Fortunately, despite the torrential rain, players were able to get to the Club and the event was a great success.

We were very privileged to have a great diversity of bridge talent in the field and competition was strong. As usual, our Director Steve Murray did a great job. The day was very challenging for the Director. Steve has a very affable personality. He keeps players well informed of results and adds a bit of light hearted banter to deflect from the seriousness of competition.

I was so proud to be President of the Club for this event. The willing support from our members was amazing. My heartfelt thanks to you all. What a great Club!

The donations of food exceeded all expectations. We have food in the freezer to enjoy for the next few weeks! Rostered non-playing members assisted in the kitchen. Members willingly made themselves available as standby players. It is so necessary to have reserves, as the event is planned and a last minute drop-out is a tournament organiser's worst nightmare.

There were so many members contributing to the workload in so many ways – great and small. It is not possible to name everyone separately.

Thank you all!
